

Animated Short

VIST 206 - Visual Studies Studio I
Instructor of Record
Fall 2019

Sophomores, Juniors and Seniors formed mixed teams of 5, and spent the entire semester working on a single 3D animated short. The animation had to tell a story using one or more characters in 30 seconds or less, and include at least one 3D special effect.

Visual Essay (Final Project)

ARTS 210 - Introduction to Photography
Teaching Assistant
Fall 2018

Students explored a topic or theme of their choice through digital photography. They submitted their 5-7 best images with a paragraph describing their topic and approach. Themes shown above include “twins”, “a Japanese tea ceremony”, and “chemical reactions”.

Design for the Mind

CARC 311 - Field Study Design Communications
Teaching Assistant
Spring 2019

Juniors studying in Germany were asked to address the growing problem of dementia. They pitched ideas to one another, formed their own teams, and executed their projects over the course of the semester. Projects included games designed for patients and art-work inspired by the testimony of caregivers.
